

LEAVE A LEGACY

SUPPORT THE MI AIR LINE TRAIL

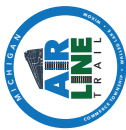

While currently undeveloped, the MI Air Line Trail is open, and plans are underway to improve the surface and enhance the trail through Commerce Township, Walled Lake and Wixom. Construction of a pedestrian bridge over M-5 is expected to begin in 2018. The MI Air Line Trail provides a key link between the Huron Valley, West Bloomfield and M-5 Metro Trails. This linear corridor is also designated as a part of the Great Lake to Lake Trails-Route 1, a cross-state recreational trail that, when completed, will stretch from Port Huron to South Haven.

The CW2 Railway Management Council crossed a major milestone in 2017 by acquiring the property and now needs your support to create a one-of-a-kind place for the community and visitors to enjoy. Here is your opportunity to preserve the MI Air Line Trail for future generations and leave your legacy as a contributor. Your donation will go toward:

- ✓ **Improving the Trail Surface**
- ✓ **Restoring the Walled Lake Depot**
- ✓ **Installing Amenities Along the Trail**
- ✓ **Creating Interpretive Displays**
